## **KRISHNA INDUSTRIES**

### **Dyes manufacturer – since 1978**

From years of experience and customer-oriented solutions with backed techno-commercial management, Krishna is a leader in the field of dyestuff & chemicals.

The company's three multipurpose production sites & headquarters are located in Ahmedabad in India.

In addition, we offer competent technical service with comprehensive advice on optimum solutions tailored to your needs.

**KRISOL** powder dyes are solvent soluble dyes, with excellent solubilities in polar organic solvents like alcohols, ketones and glycol ethers, as well as good overall fastness properties.

They are suitable for coloration of writing inks, wood stains, leather finish, flexographic and gravure inks and paints based on polar solvents.
